KAVU SOL SHADE HAT
You'll be made in the shade with this bucket hat. A 4-inch brim of 100% cotton canvas provides plenty of coverage for your face and neck, and a chinstrap with adjustable draw cord won't let it blow away. \$26. www.kavu.com

SMITH OPTICS TALENT SUNGLASSES
These shades are designed to handle anything, whether you are hard at play or out on the seas. The scratch-resistant lenses are shatterproof and curve around the face for optimum coverage. We love them because they are stylish but still super tough. \$109. Polarized \$139. www.smithoptics.com

RIP CURL BYE BYE BAHAMAS
You can't get any more classic than these shorts. They are the perfect choice to throw on while playing in the water or on dry land. \$44. www.ripcurl.com

HELLY HANSEN SWIMSUIT
Leave it to Helly Hansen to know how to kick out great water wear. Here is the perfect suit for riding the waves hard. The fabric top is ultracomfortable and will stay in place. The one-shoulder cut on the bottom adds some playfulness to the look. \$26. www.hellyhansen.com

BEYOND COASTAL SUN BLOCK
A little goes a long way with this stuff. If you are looking for sunscreen that doesn't leave a slick behind you in the water, this is a good choice. It goes on smoothly and soaks in quickly without the greasy leftovers. It's waterproof and has an SPF 30 rating. 4 ounces \$18. www.beyondcoastal.com
