NRS WOMEN'S HYDROSKIN SHIRT

They HydroSkin shirt is a neoprene insulator that's perfect for keeping you warm while paddling in cold water. It has a comfy fleece lining, which retains little water and dries quickly. And the underarm stretch panel maximizes mobility while paddling. \$70. www.nrsweb.com

PADDLING RIVER KAYAKING

SHRED READY VIXEN HELMET
A helmet made just for women means you can still hear like a lion—you just don't have to look like one. The Vixen features a strong fiberglass shell that will protect your head from any unexpected run-ins with rocks or branches. Much like a bike helmet, it has interchangeable foam-fitting pads and highly adjustable straps, allowing you to customize the fit. It is accented with a fun, digitally graphic and comes in six sweet colors. \$55. www.shredready.com

KOKATAT WOMEN'S TROPEZ SUPER BREEZE
This splash jacket is designed to keep you dry and protect you from the sun when paddling in warm weather. Water is kept out with the adjustable wrist and neck closures. To keep it all off, it has a great fit for the female form. \$59. www.kokatat.com

ASTRAL BELLA PFD
The Bella has everything we look for in a personal flotation device. Adjust the two-panel system up or down to fit your torso and the strap-panel sports bra to accommodate your cup size. Side-up entry makes it easy to get in and out, and we love the cargo pockets for extra storage. \$55. www.astralflotation.com

CHACO HIPTHONG
The Hipthong combines a casual flip-flop with Chaco's signature straps that adjust and secure to your foot, making this flip-flop sandal a perfect fit. The new EcoTread outsole is made from 25% recycled rubber and is ultralight when it comes to treading on slippery rocks. This sandal delivers funky style and peak performance. \$39. www.chaco.com
